### **General Overview of the events/outings (although may vary by event/outing)**

- ❖ Each outing is meant to promote socialization and provide a time for our female members to build relationships. At each event there will be ample social time to build relationships, self-esteem, self-confidence, accountability, responsibility, and understanding through social events designed just for teens.
- ❖ Special needs can be accommodated **HOWEVER** this group is geared towards “high functioning” individuals.
- ❖ Enrollment fee includes all needs including supplies and basic entrance fees for outings but not any additional fees such as for video games, arcade, food at the locations, “extras,” items therefore, allowing our teens an opportunity to engage in a monetary planning session with their parents to prepare for the actual outing and bring the agreed upon funds to cover their “wants.”
- ❖ If needing to eat Gluten free or accommodate for allergies these events offer an opportunity for the teens to contact the restaurant and learn how to navigate that aspect of their lives.
- ❖ All events are supervised and guided by trained staff.

### **Cost for normal session:**

- **Program Total Cost is \$165 due if starting at first event** (includes all basic supplies & basic entry to all outings, does not cover any additional items they want to buy at the outings or transportation to the outing)

- If STARTING after first event the enrollment fee will be prorated a certain amount based on the outings missed. No pro-rated costs if you miss an event once you start because you are out of town or sick.
- \$20 mandatory Intake for new members:
