Mix and Match! Various locations and meetups for various grade ranges over the January-May 2017 time period.

- **All meetups have a fee associated with them and are themed.**
- **Do not have to be in any other programs to attend a meetup. Open to anyone in the community. K-5th or 6th-12th (teen)**
- **No parents are at these themed meetups, only trained staff, as our themed meetups are used to simulate a true life meetup.**
    - **A caveat as we are working on building social success:**
        - **All meetups have an email sent that after enrollment that outlines what will occur and who is coming to that meetup.**
        - **Many of those attending the meetup have met before in other groups or community events we have had, are friends of someone, etc.**
- **To enroll in our meetups you must send us an email at info@unitedthroughhope.org.**
    - **We will then send you the appropriate enrollment forms which will need to be completed and returned prior to the deadline.**
    - **Deadlines are usually two weeks prior so staff can be set up accordingly.**
