General Overview of the events/outings (although may vary by event/outing)

- ❖ Each outing is meant to promote socialization at common eateries, navigating paying, tipping, and preplanning, social chit chat, and social etiquette at eating establishments when out with peers. It also simulates the school lunch time, hallway, before/after school social chat, eat, and typical “hanging out” to build self-esteem, self-confidence, accountability, responsibility, and understanding through unstructured social opportunities. At each event there will be ample social time to build relationships, self-esteem, self-confidence, accountability, responsibility, and understanding through social events designed just for tweens.
- ❖ **At each meet up the group will meet first at the Frisco site and then branches out from there based on the actual details associated with that event.**
- ❖ Special needs can be accommodated, however, this group is geared toward “higher functioning” individuals and all events are supervised and guided by trained staff
- ❖ The enrollment fee does not include the funds to buy food, therefore, allowing our tweens an opportunity to engage in a monetary planning session with their parents to prepare for the actual outing and bring the agreed upon funds to cover their meal and tip.
- ❖ If needing to eat Gluten free or accommodate for allergies, these events offer an opportunity for the tweens to contact the restaurant and learn how to navigate that aspect of their lives.

Cost for normal session:

- **Program Total Cost is \$105 due if starting at first event** (does not cover the food purchased at any restaurant listed-that is planned between parent and member prior to outing and brought to the meetup)
- **If starting after first event** the enrollment fee will be pro-rated a certain amount based on the outings missed and an email will be provided with the pro-rated cost.
- No pro-rated costs if you miss an event once you start because you are out of town or sick.
- \$20 mandatory Intake for new members:
