

Meetups Pre-K (3 yrs-5yrs and not enrolled in Kindergarten)

To sign up for any meetup contact UTH (info@unitedthroughhope.org) for the actual enrollment forms. Deadline to enroll is one week before for returning members. New members would need to complete an intake and be approved before the enrollment deadline.

All Dates include 1 hour of play experience with other park attendees (UTH members in addition to non UTH members who are at the park playing too!). Staff will be guiding the enrolled PreK UTH members to be engaged in their surroundings.

All enrolled members receive an email prior to the registered event informing them of details regarding that event.
