Helping Others Progress and Excel

4 & 5 yr old Play GROUP

Meetup!!

Have Fun!

Come Play!

The UTH 4 & 5 yr old group is a great place for 4 & 5 yr olds to focus on the leadership and play skills needed to succeed at home, daycare, and school.

Spend time playing in indoor play with trained staff to help keep these young minds involved with each other, head off tantrums, and work on those valuable compliance & clean up skills!

Increase skills in playing cooperatively, turn taking, starting and stopping play appropriately!

Increase problem solving skills when things do not go their way!

Play to ***have fun!***

While the children are playing, parents can have time to relax with each other.

Limited Space available for each meetup!

For more information, gain the enrollment forms, or to join CALL: 1-866-857-7751
